In order to accommodate all the teams requesting to play in the Fall 2014 season, it was necessary to create the below "ALL STAR MATCH" schedule. Since this schedule was successful in the Fall season, it will be used in every season that has an even number of bye schedule slots. This schedule is **MANDATORY** and was designed to (1) generate business for your team's sponsor and (2) to keep your team playing each of the fourteen weeks. Here is how this will be calculated. Players will be credited with all wins, losses and all star points. Teams will NOT get to play against every team equally. As a result of that each team will be credited with 11 points for each "ALL STAR MATCH" PLAYED

IF YOUR TEAM CHOOSES NOT TO PLAY THEN YOUR TEAM WILL RECEIVE NO POINTS
